Headline:
Widespread frost overnight. Sunny spells but cold on Thursday.

This Evening and Tonight:
Mostly cloudy and dry overall apart from light showers near the Kent coast. Clear spells developing at times, especially in the south, allowing a widespread frost to form. Minimum temperature -3 deg C (27 deg F).

Thursday:
Mostly cloudy at first but dry and brightening up, with decent spells of afternoon sunshine. Remaining cold. Cloudier with patchy rain, sleet or snow later tonight, icy in places. Maximum temperature 3 deg C (37 deg F).

Outlook for Friday to Sunday:
Bitterly cold with sunny spells and occasional wintry showers on Friday. Widespread frost and freezing fog patches on Saturday and Sunday, slow to clear in places. Perhaps cloudier Sunday afternoon.
